NOTE: Alternative weatherseal may be supplied on certain circular and non-standard frames.
Non-locking fasteners are supplied with opening sashes.

NOTE: All Endurance and factory glazed frames with glazing bars are priced using the plant-on method. The clip-on method is available at a reduced cost. All glazed frames now include low-E 24mm glazing. Frames 1500mm high or above, include low-E toughened glass. Window sizes shown are nominal and will be approx 5 mm less than the size shown to allow for building in.
