**HOWARTH
TIMBER**

The Howarth Timber Group has been established for over 160 years, and has built an enviable reputation in the construction industry for product quality and customer service. As the UK's largest privately owned timber company, Howarth operates its own importing division together with several timber engineering divisions. Additionally, Howarth has a variety of regional manufacturing facilities including a large Windows & Doors factory at New Holland, Lincolnshire.

Through a network of 24 nationwide branches, Howarth has a broad client base, from major national house builders to flooring contractors. As well as a full timber merchanting service, many branches now carry a wide range of flooring products, and you can be sure our traditional values of product quality and customer service apply equally across this flooring range.

Do you dream of an **exquisite floor** that is **quick and easy** to install yourself? A laminate where all the panels just click together, without glue? With a **stylish and durable** effect? This dream becomes a reality when you bring home **Quick-Step**. The original and unparalleled patented UNICLIC system is now available from your local branch of **Howarth Timber**.

10 Good reasons for choosing Uniclic

- 1 **Super fast installation:** just click the panels together and that's it.
- 2 **Tidy work:** no messing around with glue and no glue residue.
- 3 **Start wherever you want:** you can start in any corner of the room, it makes no difference at all.
- 4 **Work in any direction:** from left to right, or vice versa, ideal for left-handed people.
- 5 **No visible joints:** the tongue and groove pull together perfectly.
- 6 **High moisture resistance:** the laminate has no visible joints and a special extra watertight glued core is used, which improves the floor's moisture-resistant properties.
- 7 **Recyclable:** Quick-Step panels are made of materials which can be reused for years and so are completely recyclable.
- 8 **Ready straight away:** you can walk on a Quick-Step floor as soon as it is installed, so you can be settled as soon as you have moved house!
- 9 **Reinstallation possible:** the laminate is so strong that it can be re-installed several times.
- 10 **Warranty:** all these characteristics mean that we can give a 15-year warranty against wear.

Perspective - NEW longer narrower plank. Perspective, a stylish practical laminate plank combining all the advantages of **Quick-Step Uniclic** with the look of a real plank floor. The sides are lightly bevelled to create a subtle v-groove when you click the panels in place. A distinctive original line with a genuine feel for natural elegance. It's in a league of its own!

Living Surface is a laminate floor combining all the advantages of Quick-Step Uniclic with a tangible and surprising look: the surface structure is not just visible to the naked eye, it can also be felt quite clearly. You only need to walk over it barefoot to clearly feel the structure of the wood grain.

Quick-Step Majestic

A Stronger Alternative

Quick-Step Majestic is the extra strong brother of the ordinary 'Quick-Step laminate flooring'. Equally attractive and user friendly, Majestic is anti-statically treated and is also harder wearing and impact resistant. This regal floor is an absolute must in spaces where there is a great deal of traffic - showrooms, restaurants, living rooms etc.

Quick-Step Laminate Tiles

Quick-Step Laminate tiles take the pain out of laying a first-class floor. Our unique tiles with the patented Uniclic system are easy to install. You'll have a gorgeous grooved tile floor in minutes, combining all the advantages Quick-Step offers with the original look of Living Surface.
