

A comprehensive range of traditional flush fitting windows meeting the most exacting specifications

PLANT-ON BARS

All Endurance and factory glazed frames with glazing bars are priced using the tape bar system.

The clip-on bar system is available at a reduced cost. In order to reduce the risk of movement, all external bars are made from straight grain, quarter cut hemlock. On translucent finishes, this may result in minor colour variation.

LOW-E GLAZING AND DOCUMENT L

All prices shown for Hi Spec glazed and Endurance fully finished windows are for 24mm low-E glazing.

For full details on all other glazing options please contact the Sales Office.

NIGHT VENTS

All windows 915mm wide and over include for 8000mm² ventilation.

Please specify if you require 4000 or no ventilation.
